

## Priority Products

### 100 two door - BL100H2

#### BL100H2

Banquetline is the ultimate solution to holding storing and transporting hot and chilled food in optimum condition. Perfect for catering on a grand scale. User applications include banquets, conferences, hotels, sports stadiums, universities, colleges and outside events. The same size unit as the BL100H1 except with two doors this helps to prevent heat loss if the door is opened frequently.

**Available from stock for next day despatch**
