SITE INFORMATION:

Staff dining facility – Servery refurbishment

DISTRIBUTOR:

Nisbets

PROJECT DETAILS:

The project was to provide a flexible servery designed for all day service. The layout included a T-shaped counter with an assisted service hot food counter, self-serve salad bars, payment pods and 'grab and go' refrigerated multi-tiers.

COUNTER SPECIFICATION :

- Synergy SQ heated and refrigerated units
- Silestone worktops – Blanco Stellar with 40mm bullnose edge and stainless steel inset tray slide runners
- Counter fascia panels in Nevamar Seattle with stainless steel shadow gaps and kick plinths
- Partition walls constructed in white laminate.
