

St Mary's School Ascot, Berkshire

SITE INFORMATION:

Private School Student & Staff Dining

Distributor:

Nelson Catering Equipment Ltd

Project Architect:

Edgington Spink

PROJECT DETAILS:

The requirement was a complete refurbishment of dining facilities at the prestigious St Mary's School. Comprising at striking 14 metre long counter, island self serve unit and separate counter in adjacent room for teaching staff.

Trevor Clark, school bursar at St Mary's School Ascot said: "We wanted state-of-the-art facilities in line with the high spec of our school buildings, and something that is also representative of the quality of the meals we serve – and Victor, Nelsons and Edgington Spink and Hyne team collaborated to turn this into a reality.
