

Eden Camp Theme Museum Malton, North Yorkshire

SITE INFORMATION:

Visitor Centre Cafe refurbishment

Distributor:

Wards of York

PROJECT DETAILS:

The requirement was to refurbish an existing visitor cafe. The styling was required to fit in with the post WWII theme of Eden Camp. An L-shape main counter was installed featuring cake display, salad bar soup station, large heated bains marie section and chilled drinks facility. An additional drink/till section was added to reduce queuing at busy times.

COUNTER SPECIFICATION

- Synergy SY heated and refrigerated units
- Special Optimax displays
- Stainless steel counter tops with continuous 38mm stainless steel tray slides
- Counter fascia panels in painted panel effect MDF
- Stainless steel kick plinths
